We did an interview with Nicole's niece in English

Makenzi Byrd woke up at 6:00 am on January 18th 2022 to do an interview on FaceTime with us. She lives in Greensburg, Pennsylvania, USA and there is a 6 hour time difference.

We wanted to interview a person from a different country and see what happens in Pennsylvania. We asked her a lot of questions and sometimes it was difficult for us to understand each other.

Makenzi is a 12 year old student at Wendover Middle School. She told us that the day before she celebrated Martin Luther King Jr. Day. She explained that he was a man that fought for equal rights for people who had a different color skin. She also told us that the weather in Pennsylvania is very cold now, it was 16 degrees Fahrenheit (9 degrees Celsius) and there was 18 cm of snow.
