THANKSGIVING DAY 2024

THANKSGIVING AT CEIP MIGUEL DELIBES

This Thanksgiving the students of Year 6 did a podcast about Thanksgiving. Radio Delibes is the method the students of all the school use to do interviews and podcasts.

On November 28th, Thanksgiving Day, students from Year 6 interviewed Juliana, a girl from New York, USA.

In the podcast a lot of groups talked about the history of Thanksgiving, some traditions, fun facts, trivia, stories and poems and interviewed a special guest from United States.

Juliana told us that she celebrated Thanksgiving with her family, cooking all day and watching American football.
